Subscription requirements

As a participant of the TruckPro Excellence Program, you acknowledge and agree to the following: I have read the TruckPro Excellence subscription requirements, terms and conditions, and I agree to adhere to all of the qualifications. I acknowledge and understand that in order to have access to and use the TruckPro Excellence web sites, learning management system and learning modules requires both a minimum hardware and software configuration. I understand the subscription does not include access to these equipments and software and that I must provide both the hardware and software as detailed in the www.truckproexcellence.ca web site described in the FREQUENTLY ASKED QUESTIONS SECTION of the site. UAP reserves the right to update or change those requirements as the technology changes over time. I understand the subscription dues and I agree to pay for these dues as billed on a per month basis for my whole year of participation. Upon my renewal of my TruckPro Excellence subscription in all subsequent years, I agree to pay the current subscription dues.

Subscription Dues

I agree to allow UAP Inc. to bill me for the appropriate subscription dues as indicated below and I agree to promptly pay these fees. The subscription to the program entitles you to have access to an online catalogue of training courses starting at the date of the signed agreement. Subscription dues are payable at the beginning of each month as per UAP's usual credit terms. The price for the subscription is \$70 per month, plus taxes.

Renewal Process

Participation in TruckPro Excellence involves a 12-month period subscription from the date of signature. The subscription is renewed automatically after 12 months until terminated by either Party giving written notice to the other at least thirty (30) days' prior to the final date at the end of the 12-month contract.

Authorization for Program Participation

I agree to be billed for the appropriate subscription dues associated with TruckPro Excellence and agree to allow UAP Inc. to bill my store for these dues. The parties agree that the enrolment form be transmitted by email.
